

We are proposing a change in your area

Kia ora,

We would like to inform you about a proposed change in your neighbourhood.

Proposal:

Reference	TR25-25 Newtown East Parking Scheme Zone – Parking Restriction Amendments
Location – where we propose to make the change	Newtown East Parking Scheme Zone – Daniell, Wilson and Owen Street
What we'd like to do	• The traffic resolution (TR157-23) for the Newtown and Berhampore parking scheme was approved at Koata Hātepe Regulatory Processes Committee 18 April 2024. This approval was required to formalise the new parking restrictions on the street as part of the Newtown and Berhampore parking zones. • The proposed traffic resolution addresses a few minor discrepancies without altering the originally consulted scheme. The adjustments are simply a refinement following installation, construction, and correcting a few inaccurately identified parking restrictions in the original resolution. The specific changes, detailed in the attached plans, are as follows: • Outside no. 35 Daniell Street – Amended to three pick-up and drop-off parking spaces, 8:30-9am, 2:45-3:15pm Monday – Friday, During School Terms Only • Outside no. 33 Wilson Street – Amended to three P60 parking spaces, 8am-6pm Monday – Sunday • Outside no. 11 Owen Street – Amended to four P180 parking spaces, 8am-8pm Monday – Friday, Resident Permit Exempt • Outside no. 2 Wilson Street – Amended to four P60 parking spaces, 8am-6pm Monday – Sunday • Outside no. 17 Wilson Street – Removal of one P180 8am-8pm Monday – Friday, resident permit exempt spaces to an unrestricted space
Why we are proposing the change	• During the installation of the new signs, poles, and markings, we discovered minor discrepancies in the original traffic resolution for the Newtown East zone. These discrepancies are detailed in this amended traffic resolution. • This traffic resolution aims to formalise the restrictions, update the plans, and ensure the changes made on the streets are legally enforceable.
Impact	Improvements • Improves parking accessibility for residents and mobility users • Improves short-stay accessibility for visitors, shoppers, and tradespeople • Formalise existing restrictions, in order to be enforceable Net Parking Impact • Only formalising what is currently existing on-street Pedestrian Impact • No change
