| Why we are proposing the change                | <ul style="list-style-type: none"><li>• A member of the public provided a request for action form with 21 signatures all in agreement for Council to extend No Stopping At All Times in Totara Road from its intersection with Awa Road.</li><li>• It has been assessed that when vehicles park in this section of the road, it hinders driver visibility when turning in and out of this intersection and forces vehicles to travel on the other side of the road near a bend causing safety concerns.</li><li>• To improve safety and accessibility, we are proposing to install No Stopping At All Times along this section of the road outside property no. 1, as per the attached plans.</li></ul>              |
