

We are proposing a change in your area

Kia ora,

We would like to inform you about a proposed change in your neighbourhood.

Proposal:

Reference	TR22-25 Ganges Road, Khandallah – Proposed P60 Time Limited Parking
Location – where we propose to make the change	Ganges Road, Khandallah between nos. 1 and 5
What we'd like to do	Convert eight P10 Time Limited Parking spaces into eight P60 Time Limited Parking spaces
Why we are proposing the change	- Council has received a petition from local businesses requesting the conversion of the P10 parking spaces between numbers 1 and 5 Ganges Road to be changed to P60 time-limited restriction. - The Council reviewed the petition and carried out initial consultation by hand delivering letters to local businesses. The proposal recommended converting five P10 spaces to P60, while maintaining three P10 spaces to support short-term parking for businesses like takeaway shops. - The feedback largely supported converting all eight spaces to P60, and as a result, Council officers have decided to go with the community's preference. - The Council's original proposal to keep a mix of P10 and P60 spaces will remain as a secondary option, pending further feedback from businesses and the public as part of this traffic resolution.
Impact	Improvements - Improves the viability of business wellbeing Net Parking Impact - Converting eight P10 parking spaces to P60 parking spaces Pedestrian impact - No Change
Other options considered	Option 1: Convert five spaces to P60 and retain three P10 spaces, this option is not preferred after consulting with local businesses in the area, however we will continue to receive feedback regarding this option.
How this relates to the parking policy	Support business wellbeing – ensure parking management and pricing controls support economic activity in the central city, suburban centres and mobile trades and services.
