Paneke Pōneke - Bike network plan

We will complete the final detailed planning and start physical works on Brooklyn to City. We will complete the transitional installation of 15.3km of the network including Aro Connections and Thorndon Connections. Following a period of review and community feedback, work will begin to plan for the permanent installation of the cycleways across future years.

We will complete the business cases and consultation for Wadestown to Thorndon, and Botanic to Karori transitional cycleways. Some physical works will then take place on these projects throughout the year.

Pōneke Promise

We will continue to investment in improving safety and vibrancy, and reducing harm, in the central city. We will be starting on work on the new Te Aro Precinct public toilets on Inglewood Place, upgrading public spaces in the Te Aro Park area, providing inner-city community spaces, improving vibrancy and sexual violence prevention.

Shed 5

The strengthening and reroofing of Shed 5 commences in April 2024. The building will be closed while the work is completed. It will take about four months, with completion expected in August/September 2024.

Cuba Street playground

The upgrade of the Cuba Street Playground will be completed by June 2024.

The design of the playground will be developed together with mana whenua and local children. The design will include play elements weaving in storytelling, reflecting the playground's proximity to Waimapihi Stream and Te Aro Pā.

Taranaki Street new pump station

Alongside an extensive three waters programme across the city, we will also be finishing the installation of a new pump station in Inglewood Place off Taranaki Street. This, alongside construction of a new rising main up Taranaki St, is the first phase of the major CBD Wastewater Renewals.
