Questions about the draft Fire and Smoke Nuisance Bylaw 2025

1. Do you think the Council should retain a bylaw for regulating fire and smoke nuisance?

We are proposing to retain the Council's current Fire and Smoke Nuisance Bylaw (part of the Wellington City Council Consolidated Bylaw 2008) because there is evidence of fire and smoke nuisance issues in Wellington City. A Fire and Smoke Nuisance Bylaw can protect the public from these issues.
We are also proposing some minor changes to the current bylaw. These do not affect the public's existing rights.
For further information refer to the Statement of Proposal, which can be viewed at Council libraries and community centres or online at letstalk.wellington.govt.nz/fire-and-smoke-nuisance-bylaw
