

We are proposing a change in your area

Kia ora,

We would like to inform you about a proposed change in your neighbourhood.

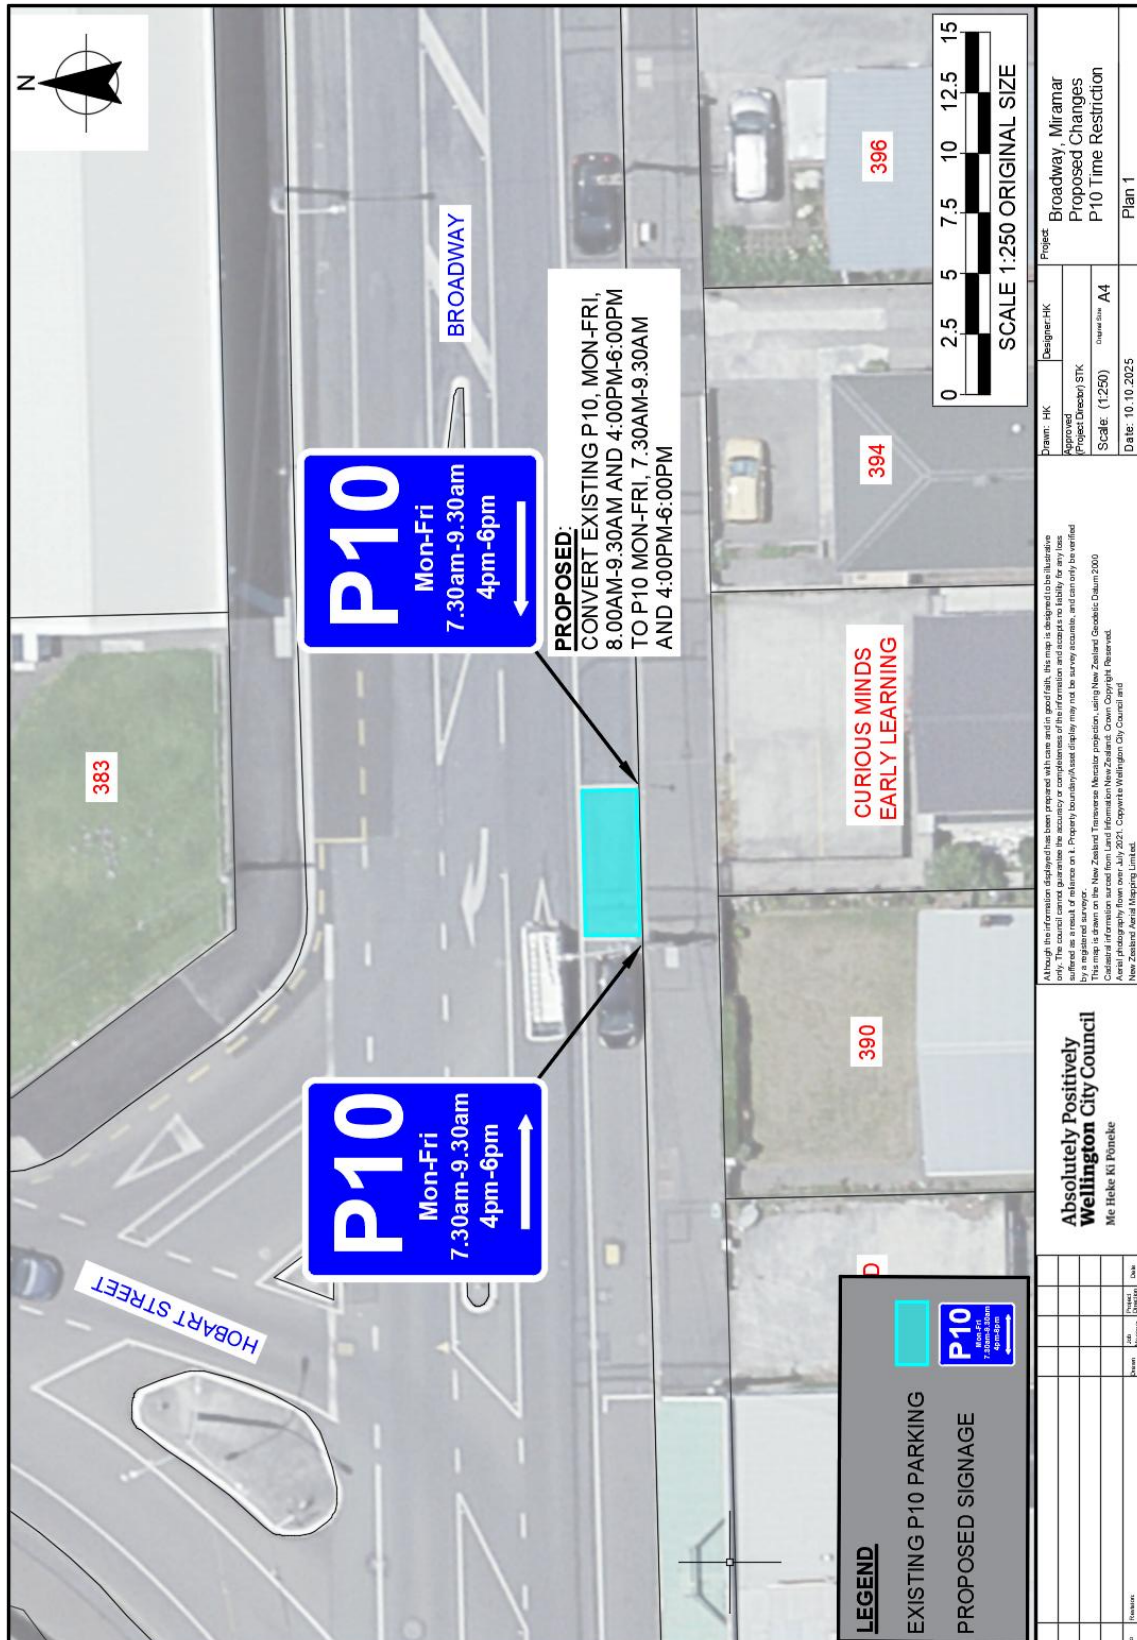

Proposal:

Reference	TR17-26 Broadway, Miramar – P10 Time Limited Parking Changes
Location – where we propose to make the change	Broadway, Miramar – outside no. 392 (Curious Minds Early Learning)
What we'd like to do	Convert the existing time limited space outside 392 Broadway from P10, Mon-Fri, 8-9.30am and 4-6pm to P10 Mon-Fri, 7.30-9.30am and 4-6pm.
Why we are proposing the change	- Wellington City Council have received request from Curious Minds Early Learning regarding the time restrictions of the P10 parking space outside their learning centre. - Currently, the P10 time restriction applies between Mon-Fri, 8-9.30am and 4-6pm, however the learning centre operates from 7.30am-6pm. - This means that long-stay vehicles often occupy the parking space before 8am, preventing parents and caregivers from using it for drop-off between 7.30-8am. - Aligning the parking restriction with the centre's operating hours would ensure that the space is available for parents during pick up and drop off times, while still allowing long-stay parking outside of these hours. - To improve parking availability during pick up and drop off hours and accommodate the needs of parents who have Tamariki at the learning centre, Council officers are proposing to convert the existing P10, Mon-Fri, 8-9.30am and 4-6pm to P10 Mon-Fri, 7.30-9.30am and 4-6pm. - This change will better support short-term parking needs during the learning centre's opening hours and enhance accessibility for parents and caregivers.
Impact	Improvements - Improves safety and accessibility for Tamariki and parents - Improves parking availability during peak times by promoting a higher turnover of parked vehicles. Net Parking Impact - Converting one P10 parking space from commencing at Mon-Fri, 8-9.30am and 4-6pm to Mon-Fri, 7.30-9.30am and 4-6pm Pedestrian impact - Positive as there is safer access to the kindergarten by minimising unsafe parking practises.
Other options considered	Option 1: One option considered was to start the morning P10 restriction time from 7:00am-9:30am. This option was not preferred as Curious Minds Early Learning does not open until 7:30am. Aligning the P10 restriction with the opening hours of the day care helps balance the needs of residents, long-stay and short-stay visitors.
