Playground People Ltd
The *Smarter* way to Play

SPECIFIED EQUIPMENT

PLATINUMPLAY MODULE JT675

Designed around our belief that a playground should encourage Play, Healthy Living, Learning and Social Development, a PlatinumPlay modular playground is the perfect solution for this community playground environment.

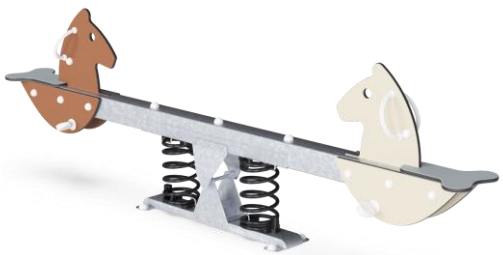

All PlatinumPlay playgrounds are manufacture with **hot dipped galvanised steel events**, which ensures our customers receive an end product that will give them years of safe play for their children, with very low ongoing maintenance/costs for their maintainers

Target Age Range: Ages 2 -12yrs
Note: photos are of similar module
