

Our work programme

For 2023/24 we plan to continue delivering the programme of work set out in the 2021-31 Long-Term Plan. Visit our website to see the full details of our projects: letstalk.wcc.nz/annual-plan-2023-24

Te Whanganui-a-Tara All of Wellington

Southern Landfill

- This year, we will finalise the design of the landfill extension, continue the resource consent application process and commence preliminary works in advance of construction commencing in 2024.

Frank Kitts Park Playground

- The playground is expected to be completed in November 2023.

Sludge minimisation project

Construction has been approved for the new Sludge Minimisation Facility. Work at the site at the southern end of Stewart Duff Dr is expected to be underway in mid-2023 and completed by 2026.

Te Atakura programme

- Continuing the conversion of the Council fleet to electric vehicles and the installation of public EV chargers.
- Continuing to run the Home Energy Saver Programme and starting the new business energy saver programme.

Let's Get Wellington Moving

- Golden Mile: Finalise the design and begin construction in late 2023.
- Thorndon Quay and Hutt Road: Finalise the design and construction begins on walking, cycling, bus priority and safety improvements including new Aotea Quay roundabout.

Te Ngākau Civic Square

- Council building demolition for the Civic Administration Building and Municipal Office Building.
- Town Hall earthquake strengthening continues.
- Te Matapihi Central Library rebuild continues.

What's happening in your area?

Takapū/Northern General Ward

Grenada North Community Sports Hub

The planning and design of upgrades to Grenada North Park will commence in 2023, and will consider turf renewal, passive and active recreation needs, and the potential for future facilities. Work is expected to start after design has been agreed.

Paneke Pōneke - Bike network plan

We will start the planning and design phase for Johnsonville to Ngaio transitional cycleway, and start planning for permanent projects, including Grenada North and Broderick Road. We will start and complete the business case for Tawa to Johnsonville.

Watermain Renewal Programme: Newlands and Johnsonville

The first portion of the Watermain Renewal Programme will begin construction.

The first to be renewed include three in Newlands. Also be progressing design and procurement for the second phase, which will begin construction next year and includes three watermains in Johnsonville.
