Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

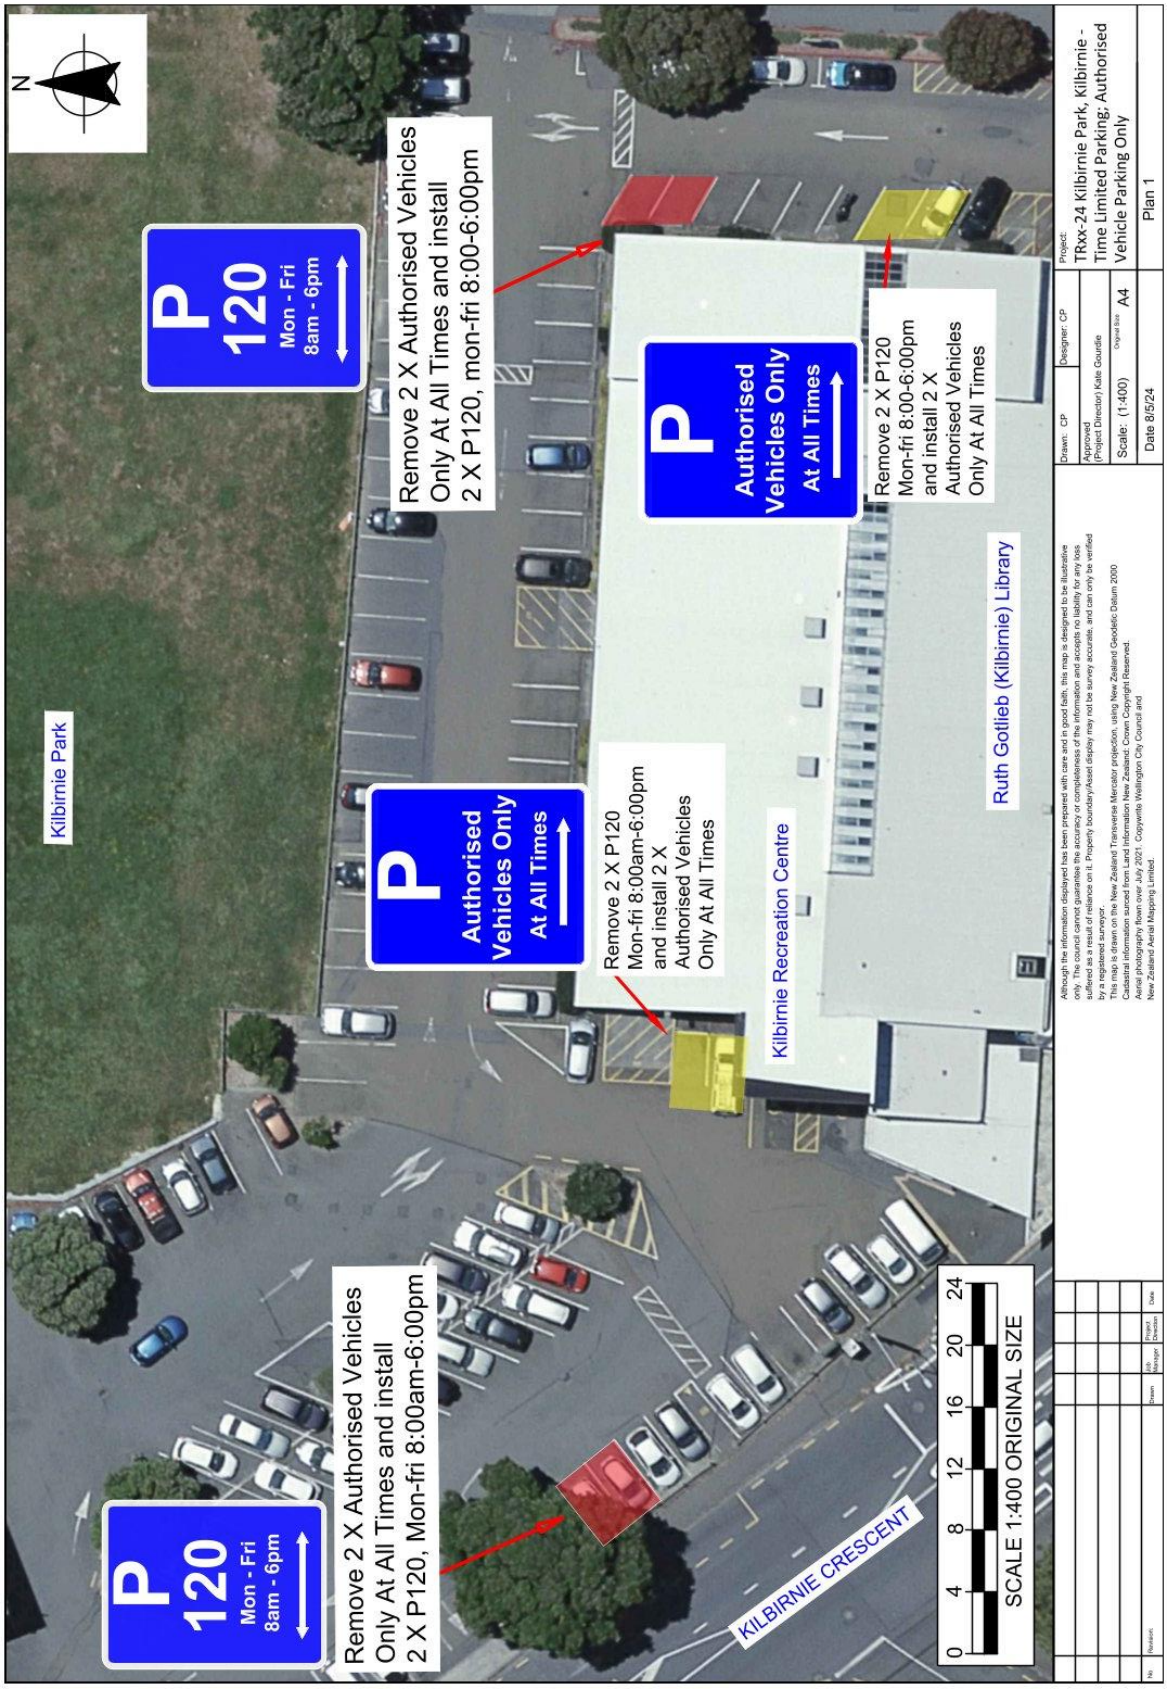

Reference	TR98-24 Kilbirnie Crescent, Kilbirnie – Authorised Only Parking; P120
Location – where we propose to make the change	• Kilbirnie Park
What we'd like to do	• Relocate four staff parking spaces
Why we are proposing the change	• We are proposing to relocate four staff parking spaces closer to the entrances of the Kilbirnie Recreation Centre and the Ruth Gotlieb (Kilbirnie) Library as a result of recommendations from a safety assessment report. • This will enhance safety and security for our employees by ensuring they have easier access to their workplaces, particularly during early mornings or late evenings when lighting conditions may be suboptimal.
Impact	• Improves safety and accessibility for staff arriving in darker lighting. • Net parking impact – no net impact, just relocating staff carparks closer to entrances • Pedestrian impact – positive. Staff will have closer parking to entrances, so it will be safer for them.
How this relates to the parking policy	• Support safe movement – facilitate the safe and efficient movement of people and goods by focusing on people moving along transport corridors rather than people parking or storing stationary vehicles. • Support city place-making, amenity and safety – ensure on-street parking design and placement supports overall city amenity, safety, community building, heritage, creative arts, good urban design outcomes and attractive streetscapes.
Additional Information	• Average daily traffic count - NA • Annual parking revenue impact – No impact • To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council's website from 9.00am Friday 21 June 2024 at https://www.letstalk.wellington.govt.nz/ or you can call (04) 499 4444 and we will send one out to you.
