Kia ora,

We would like to inform you about a proposed change in your neighbourhood.

Proposal:

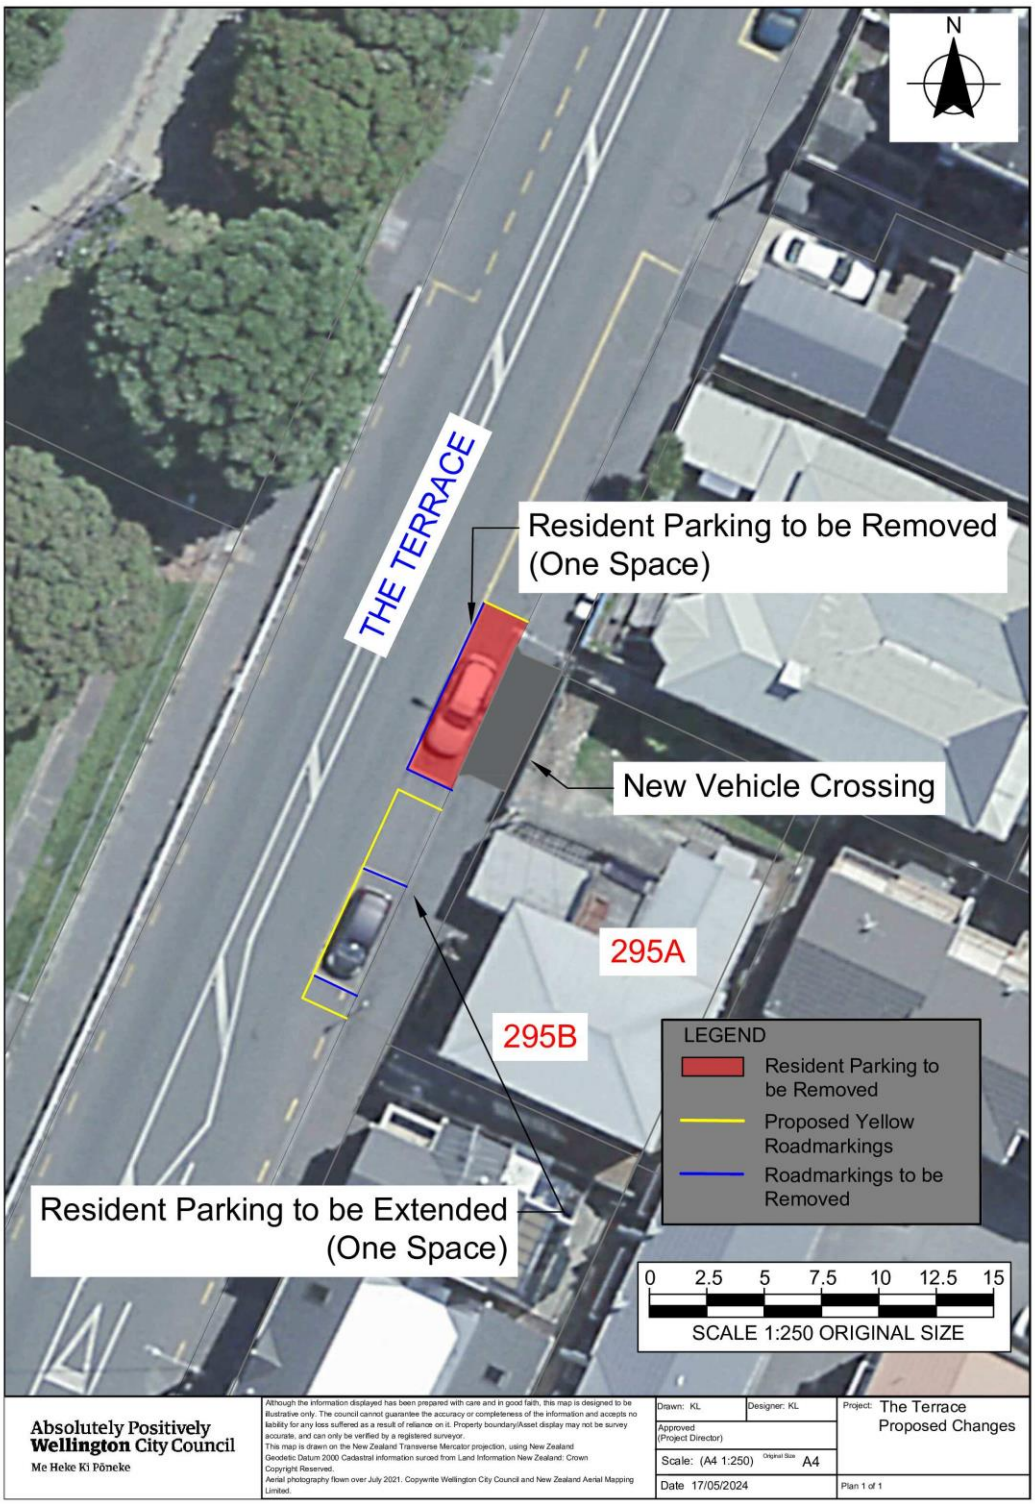

Reference	TR93-24 The Terrace, Te Aro – Resident Parking
Location – where we propose to make the change	The Terrace, Te Aro – outside no. 295
What we'd like to do	• Relocate Resident Parking outside 295 The Terrace
Why we are proposing the change	• A new vehicle crossing at 295 The Terrace has been installed and the previous vehicle crossing is being made redundant. • Therefore, we propose to relocate the resident parking to make space for the new vehicle crossing, while reinstating parking across the redundant vehicle crossing.
Impact	**Improvements** • Ensures access for vehicle crossing while maintaining existing on street parking availability. **Net Parking Impact** • No Change **Pedestrian impact** • No Change
How this relates to the parking policy	• Support safe movement – facilitate the safe and efficient movement of people and goods by focusing on people moving along transport corridors rather than people parking or storing stationary vehicles.
Additional Information	• Average daily traffic count – 14,252 (2023 Count) • To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council's website from 9.00am Friday 21 June 2024 at https://www.letstalk.wellington.govt.nz/ or you can call (04) 499 4444 and we will send one out to you.
