

Kia ora,

This leaflet is to let you know about a change we are making in your neighbourhood. These changes are required by the Land Transport Rule: Setting of Speed Limits 2024. We are seeking your feedback on specific parts of the changes.

Reference	TR 62-26 TKKM o Ngā Mokopuna – Variable Speed Limit Scope Amendment
Location – where we propose to make the change	Marine Parade, Falkirk Avenue, Forres Street, and Inglis Street from 8:20am-9:10am and 2:40pm-3:40pm School Days Only Ventnor Street: The amendment is to include variable speed 30km/hr 8:20am-9:10am and 2:40pm-3:40pm School Days Only on Ventnor Street. The previous 50km/hr signs have now been removed.
What is the change	- The proposed change is to remove the location the 50km/hr signs originally approved on 28th August 2025 (TR82-25) on Ventnor Street. - After further consultation, it was found that the school have an additional school gate on Ventnor Street which means this needs to be part of the variable speed limit zone, operating at 30 km/hr speed during school pick up and drop off hours. Therefore, this proposal seeks to update the zone to include Ventnor Street. - By moving the sign locations, this also requires an update to the legal description database which is included in this traffic resolution. - For more details, please refer to original and amended plans included below.
Why is the change being made	This change is an amendment to the initial changes required by the Land Transport Rule: Setting of Speed Limits 2024.
Impact	Pedestrian/vehicle impact – Improves pedestrian safety by slowing down vehicle speed around schools during drop off and pick up times. In the event of an incident lower vehicle speed reduces the risk for the crash and the severity of injury. As a result, the outcome of the incident is likely to be less severe than if the vehicle was travelling at a higher speed.
Additional Information	To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council’s website from 10 June 2026 at https://wellington.govt.nz/Your-Council/Projects/Safe-speed-limits-outside-schools
Privacy	- Your privacy is important to us. Please DO NOT add specific personal details to your feedback (i.e.: full name, address, etc) - What we do with your personal information: All submissions (including your first name, but not contact details) are provided in their entirety to elected members and made available to the public on our website and at our office. Personal information (including contact details) will also be used for the administration of the feedback process including informing you of the outcome of the feedback.
